A MESSAGE FROM THE FOUNDER DIRECTOR

IITPK • Punekar's Trust Since 2002

Dear Student & Parent,

It is a matter of immense pleasure for us to address you. Pleasure - because we see in you the spark of ambition, the quest for deeper & higher knowledge and the rare gusto to take on the challenging yet highly rewarding path of JEE towards pursuing much coveted professional courses like **Engineering, Technology & Pure Sciences as well as Architecture, Design, Bio-Technology, Economics, Finance, Medicine and para-Medical** fields.

Welcome to **IITian's Prashikshan Kendra Pvt. Ltd. (IITPK)**, a Pune-based academy dedicated to engineer enlightening career paths for dynamic young minds via the medium of **JEE studies for the past 25 years!**

IITPK is reputed for its end-to-end systematically designed structured courses, excellent Teaching, Mentoring & Counselling services, well-researched cum updated study material and a rigorous Testing system with deep analytics besides offering a friendly, happy and stress-free atmosphere for students to study, blossom and excel. No wonder that IITPK has produced consistent results in the past 25 years with **1500+ IIT Ranks, 3000+ National colleges selections and almost 100 International Universities selections** after XII. The study cum exams approach taught by IITPK to its students has stood in good stead even in their undergraduate education as several Toppers in the B.Tech. / M.Tech. streams in the **IITs, BITS, NITs, IIITs and University & Department Toppers in Engineering & Pure Sciences colleges** across the nation have been IITPK students in the past two decades! IITPK Alumni have proved their mettle in the professional world too and are the movers & shakers of society in India and abroad - successful entrepreneurs, start-up Founders, Researchers, Professors in reputed Universities, innovators, corporate professionals, Civil servants, Technocrats, Scientists etc. IITPK has proudly displayed the **top-notch and A+ grade college Placements** of the past several years transparently on its website which no other JEE coaching institute in India has done yet!

The common thread amongst all IITPK Super Achievers in the past 25 years is that they had gone through the comprehensive **2-years GRANDMASTERS program** which has evolved tremendously with **50+ innovations** (including differentiated Teaching method) in the past 25 years and in its latest version offers students an **AI-powered personalized Inclusive stress-free coaching model** which is feedback-driven, systematic and multi-track in hybrid mode. The GRANDMASTERS program provides complete coaching to students for all Engineering & Pure Sciences Entrance exams like **JEE ADVANCED, JEE MAIN, MHT-CET, BITSAT, UGEE, VITEEE, MANIPAL, IISER-AT & 40+ Entrance exams.**

This document provides the key information as regards the GRANDMASTERS program which has benefitted thousands of students since 2002. You are advised to **attend the IITPK Webinar first**, then go through this document & our website **iitpk.com** and get your queries answered by interacting with our Admissions Counsellor before enrolling for one of the streams of **GRANDMASTERS 2027-29**. We would like to assure you that a student enrolling in the GRANDMASTERS program will benefit tremendously and nurture this unique learning experience for a life-time.

We look forward to serving you in the future.

Sincerely,

Durgesh C. Mangeshkar

(B.Tech., IIT Bombay)

ABOUT THE GRANDMASTERS PROGRAM

Stress-free • Multi-track • AI-powered • All-exams coaching

Glimpses of Felicitation of IITPK Super-Achievers

JEE ADVANCED | JEE MAIN | MHT-CET | BITSAT | IISER-AT | XI + XII

An Engineering or Pure Sciences aspirant of the **21st century** has to crack an entrance exam (like JEE or CET) to gain admission in any prestigious **Engineering or Pure Sciences college** in India. Since 2005 onwards, XII Boards marks serve merely as an eligibility criterion (only 75% marks in PCM & aggregate needed) for Engineering college admissions.

The **GRANDMASTERS** program is designed to crack all 40+ Engineering entrance exams, all 8 Pure Sciences Entrance exams in India, Physics & Chemistry Olympiads and also crack any International University's undergraduate Admission Test which is Math or Science based. For the past decade or so, the GRANDMASTERS program has recorded one of the excellent success ratios in various entrance exams and student cum faculty retention ratios in India.

A distinguishing feature of the GRANDMASTERS program is its stress-free multi-track feature which enables students of diverse academic backgrounds (till Std. X) and different natural grasping speeds to study as per their pace and preferred teaching style. IITPK practices a differentiated 'Teaching and Testing methodology' and offers 4 different coaching streams with personalized learning approach:

CHOOSE THE STREAM THAT FITS YOU

MASTERS

JEE ADVANCED • HIGH GRASPING SPEED

Suited for **JEE ADVANCED** aspirants who have done IIT Foundation studies in Std. 8, 9, 10 and/or have very high grasping speed.

MSTAR

JEE ADVANCED • FRESHERS

Suited for **JEE ADVANCED** aspirants who are Freshers and have NOT done any IIT Foundation studies in Std. 8, 9, 10 but have high grasping speed.

ACHIEVERS

JEE MAIN • NATIONAL & MAHARASHTRA COLLEGES

Suited for **JEE MAIN** aspirants who have sound grasping speed and wish to aspire for National as well as Maharashtra Engineering colleges but *not for IITs, IISc and IIIT Hyderabad.*

CET ELITE

MHT-CET • PUNE / MUMBAI / MAHARASHTRA

Suited for **MHT-CET** aspirants who have sound grasping speed and wish to aspire for Pune / Mumbai or Maharashtra Engineering colleges only.

WHAT MAKES GRANDMASTERS DIFFERENT

Unique salient points • Inclusive personalized coaching

01 Stress-free, All Exams Coaching

IITPK has a **stress-free, happy and friendly academic culture** to promote learning of Math & Sciences which cultivates the right approach and passion for learning the fundamentals rigorously based on which higher education becomes easy & fun to navigate in future. Coaching is inclusive in the sense that students are placed in suitable batches which are homogenized by a tried & tested algorithm coupled with timely & right counselling. Batch shuffling is done on voluntary basis which reduces students stress levels too!

02 Small Batches in Hi-Tech Classrooms

Since personal attention is important, there are **25-40 students** in each batch in IITPK unlike the 50-200 kids stuffed in one classroom in other coaching classes. An interactive feedback-driven teaching style coupled with digital smart boards and the presence of a Batch co-ordinator during lectures ensures seamless & personalized learning in IITPK classrooms.

03 AI Personalized Coaching

IITPK provides access to our **AI-driven LMS platform** which is designed for **remedial learning**. The dedicated IITPK AI platform identifies the weak areas of a student and generates personalized **micro-learning modules** to neutralize the weaknesses and converts them into strengths. The AI platform has **bots** and other features which serve as a Tutor, Doubts Solver and Tests paper generator too. The AI platform continuously learns from student participation & identifies areas of improvement & provides relevant curated content.

04 Individual Recommendation System

At IITPK after Phase-4 of the GM program, every student is given a realistic achievable exam target based on their performance. Specialized coaching as per Recommendation is provided in Phase-5.

05 Differentiated Teaching & Testing

One size does not fit all! IITPK's **unique teaching methodology** ensures that students are allocated the batch which ensures optimally paced learning rendering comfort to the student which eventually yields excellent retention ratios and excellent success ratios.

WHY FAMILIES CHOOSE IITPK

25 years of results!
Small batches of 25-40
AI-driven remedial learning
One program for every entrance exam

ONE PROGRAM. EVERY ENTRANCE EXAM.

40+ Engineering entrance exams | 8 Pure Sciences entrance exams | Physics & Chemistry Olympiads | International University undergraduate admission tests
