

*Congratulations*

to all successful students !

At the end of the day, what matters after a rigorous 2-years classroom program are two vital outcomes :-

- 1) Knowledge of fundamentals, problems solving ability and confidence to crack problems under time pressure.
- 2) Final Placement in a college and branch.

The 2022 batch of students was exceptional as it had to undergo the ordeal of pandemic induced lockdowns for 2 years and hence online coaching. Despite 2-years of online coaching, exam delays and a spate of viral infections around the crucial Entrance exams period, IITPK students cracked all 2022 Entrance exams and we feel elated and proud to display this first list of Placements 2022 of students who have finalised their admissions as on Sept-30, 2022. Many JOSAA rounds, BITS rounds and STATE CAP rounds are pending and we will display the Final List of Placements by Dec-end 2022

★ This is the 21<sup>st</sup> consecutive year of unmatched results from IIT-PK !!! ★
