FOUNDATION PROGRAM

As per the New Education Policy (NEP) 2020 & successive Supreme Court judgements, the importance of Std.10th & 12th Board exams has reduced considerably & the importance of Entrance exams like **JEE & NEET** has amplified. These Entrance exams are gateways to the prestigious colleges offering professional courses like **Engineering, Medicine, Architecture, Design, NDA, Bio-Technology & Pure Sciences**. A strong foundation in Logic, Mathematics & Science is essential to prepare for Entrance exams & professional courses thereafter.

The Pune-based IITian's Prashikshan Kendra (IITPK) is a leading coaching institute for IIT-JEE & NEET having produced **1500+ JEE ADVANCED Ranks, over 150 MBBS admissions, 800+ BITS Pilani selections, 2000+ NIT/ IIIT/ GFTI selections, 3000+ COEP, PICT, VJTI, SP, VIT & MIT selections, 75+ Foreign Universities admissions with scholarships & 100+ admissions in prestigious Pure Sciences colleges like IISERs, CMI, ISI, NISER** etc. in the past 24 years. IITPK student Sankalp Gaur put Pune on the national map of IIT Education by standing first in India out of 13 lacs students in JEE MAINS 2015. IITPK has produced 7 times Pune JEE Topper in the past 24 years.

Almost 60% of the IIT Ranks produced by IITPK in the past 24 years have been from the Foundation Programs of IITPK. Sensing the need of bright students & aware parents to start early, IITPK has designed an excellent roadmap for Foundation from Std. 8th/ 9th/ 10th whose details are elucidated below:
