DIRECTOR'S MESSAGE

It is a matter of immense pleasure for us to address you. Pleasure - because we see in you the spark of ambition, the quest for deeper & higher knowledge and the rare gusto to take on the challenging yet highly rewarding path of **JEE** towards pursuing much coveted professional courses like **Engineering, Technology & Pure Sciences** as well as Architecture, Design, Bio-Technology, Economics, Finance, Medicine and para-Medical fields.

Welcome to **IITian's Prashikshan Kendra Pvt. Ltd. (IITPK)**, a Pune-based academy dedicated to engineer enlightening career paths for dynamic young minds via the medium of **JEE studies for the past 23 years!**

IITPK is reputed for its end-to-end systematically designed structured courses, excellent Teaching, Mentoring & Counselling services, well-researched cum updated study material and a rigorous Testing system with deep analytics besides offering a friendly, happy and stress-free atmosphere for students to study, blossom and excel. No wonder that IITPK has produced consistent results in the past 23 years with **1400+ IIT Ranks, 3000+ National colleges selections and almost 100 International Universities selections after XII**. The study cum exams approach taught by IITPK to its students has stood in good stead even in their undergraduate education as **several Toppers in the B.Tech. / M.Tech. streams in the IITs, BITS, NITs, IIITs and University & Department Toppers in Engineering & Pure Sciences colleges across the nation have been IITPK students** in the past two decades! IITPK Alumni have proved their mettle in the professional world too and are the movers & shakers of society in India and abroad - successful entrepreneurs, start-up Founders, Researchers, Professors in reputed Universities, innovators, corporate professionals, Civil servants, Technocrats, Scientists etc. **IITPK has proudly displayed the top-notch and A+ grade college Placements** of the past several years transparently on its website which no other JEE coaching institute in India has done yet!

The common thread amongst all IITPK Super Achievers in the past 23 years is that they had gone through the comprehensive 2-years GRANDMASTERS program which has **evolved tremendously with 50+ innovations** (including differentiated Teaching method) in the past 23 years and in its latest version offers students a hybrid mode systematic cum versatile coaching model with an AI-edge! **The GRANDMASTERS program provides complete coaching to students for all Engineering & Pure Sciences Entrance exams like JEE ADVANCED, JEE MAIN, MHT-CET, BITSAT, VITEEE, MANIPAL, SRM-JEE, IISER-AT etc.**

This document provides the **key information** as regards the GRANDMASTERS program which has benefitted thousands of students since 2002. You are advised to **attend the IITPK Webinar first, then go through this document & our website www.iitpk.com** and get your queries answered by interacting with our Admissions Counsellor before enrolling for one of the streams of **GRANDMASTERS 2027**. We would like to assure you that a student enrolling in the GRANDMASTERS program will benefit tremendously and nurture this unique learning experience for a life-time.

We look forward to serving you in the future.

Sincerely,
Durgesh C. Mangeshkar

FELICITATION PROGRAM OF IITPK TOPPERS

GRANDMASTERS 2027 PROGRAM

JEE ADVANCED | JEE MAIN | MHT-CET | BITSAT | IISER-AT | XI + XII

An Engineering or Pure Sciences aspirant of the 21st century has to crack an entrance exam (like JEE or CET) to gain admission in any prestigious **Engineering or Pure Sciences** college in India. Since 2005 onwards, XII Boards marks have zero weightage for Engineering admissions and serve merely as an eligibility criterion (only 75% marks in PCM & aggregate needed).

The GRANDMASTERS program is designed to crack all 42 Engineering entrance exams, all 8 Pure Sciences Entrance exams in India, Physics & Chemistry Olympiads and also crack any International University's undergraduate Admission Test which is **Math or Science based**. For the past decade or so, the GRANDMASTERS program has recorded one of the excellent success ratios in various entrance exams and student cum faculty retention ratios in India.

A distinguishing feature of the GRANDMASTERS program is its multi-track feature which enables students of diverse academic backgrounds (till Std. X) and different natural grasping speeds to study as per their pace and preferred teaching style. IITPK practices a differentiated 'Teaching and Testing methodology' and offers 4 different coaching streams with personalised learning approach:

MASTERS:

Suited for JEE ADVANCED aspirants who have done IIT Foundation studies in Std.8,9,10 and/or have very high grasping speed.

MSTAR:

Suited for JEE ADVANCED aspirants who are Freshers and have NOT done any IIT Foundation studies in Std.8,9,10 but have high grasping speed.

ACHIEVERS:

Suited for JEE MAIN + CET aspirants who have sound grasping speed and wish to aspire for National as well as Maharashtra Engineering colleges.

CET PLUS:

Suited for MHT-CET aspirants who have sound grasping speed and wish to aspire for Pune/ Mumbai or Maharashtra Engineering colleges only.

Unique salient points of GRANDMASTERS 2027 Program:

Inclusive Personalised Coaching

Stress-free Inclusive Coaching:

IIT-PK has a stress-free, happy and friendly academic culture to promote learning of Math & Sciences which cultivates the right approach and passion for learning the fundamentals rigorously based on which higher education becomes easy & fun to navigate in future. Coaching is inclusive in the sense that students are placed in suitable batches which are homogenised by a tried & tested algorithm coupled with timely & right counselling. Batch shuffling is done on voluntary basis which reduces students stress levels too !

Small Batch Size in Hi-Tech Classrooms:

Since personal attention is important, there are a maximum of 40 students in each batch in IITPK unlike the 60-200 kids stuffed in one classroom in other coaching classes. An interactive feedback-driven teaching style coupled with digital smart boards and the presence of a Batch Co-ordinator during lectures ensures seamless & personalised learning in IITPK classrooms.

Differentiated Teaching & Testing Methodology:

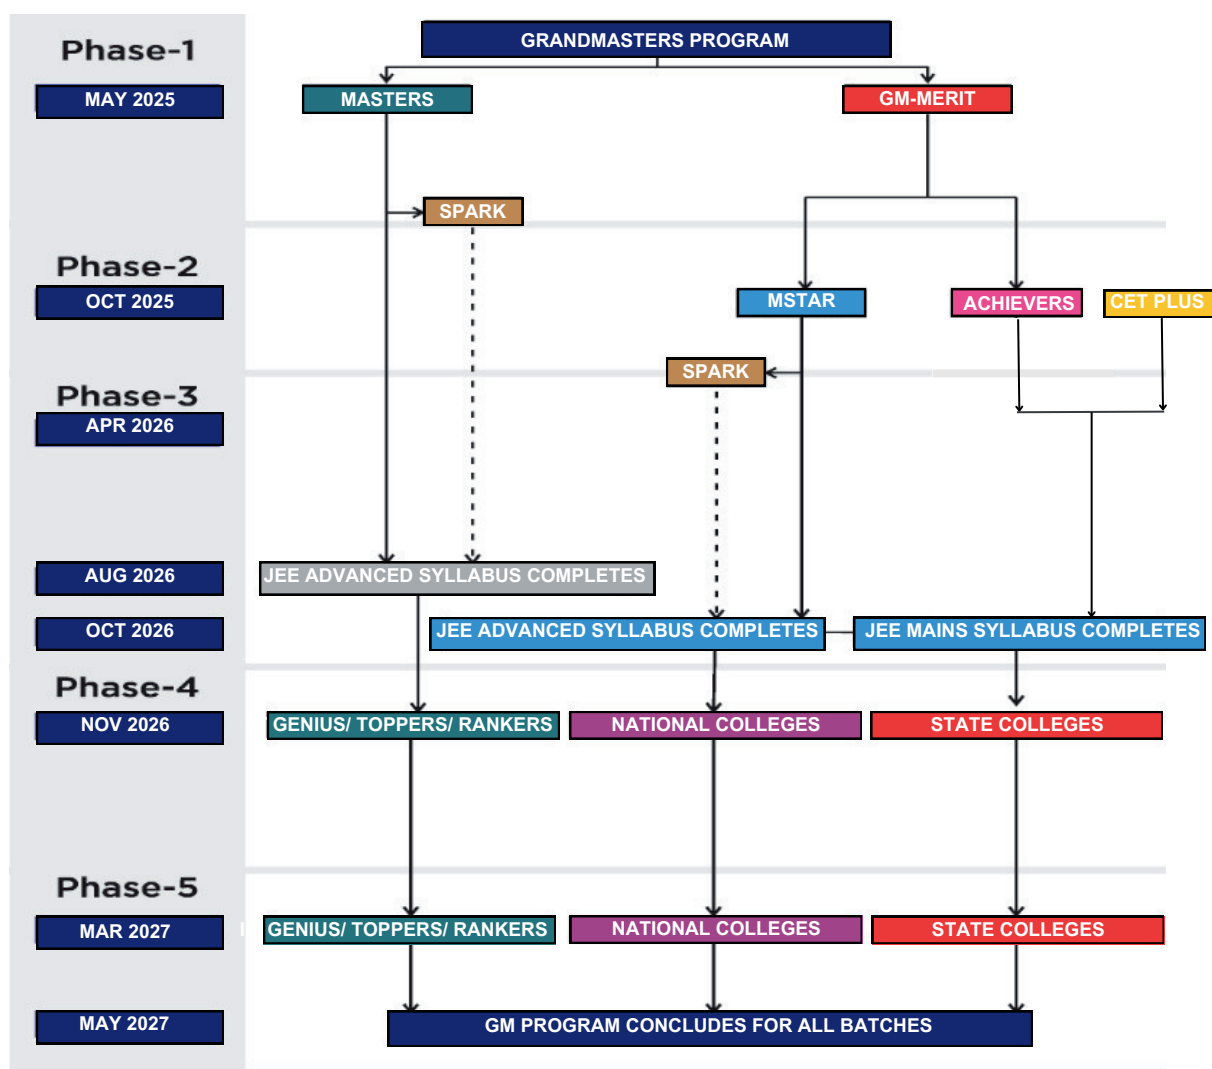

One size does not fit all ! IITPK's unique teaching methodology ensures that students are allocated the batch which ensures their comfort of learning. This in turn results in high retention ratios and eventually high success ratios.

AI-Edge:

IITPK provides access to our AI-driven LMS platform for quick and efficient revision of syllabus with VFX byte-sized video lectures along with customised on-demand testing facility with deep analytics. The LMS platform learns from student participation & identifies areas of improvement & provides relevant curated content.

TESTING SYSTEM & DOUBTS CLARIFYING FACILITY

TESTING SYSTEM

The GRANDMASTERS program offers students an excellent testing system which is available in online as well as offline mode on multiple platforms at judicious times during the program.

The Testing System is as under:

Monthly Live Tests in Phase-1,2,3 of GM-2027 program

Fortnightly Assignments on Google Classroom in Phase-1,2,3

Weekly Live Tests in Phase-4,5 of GM-2027 program

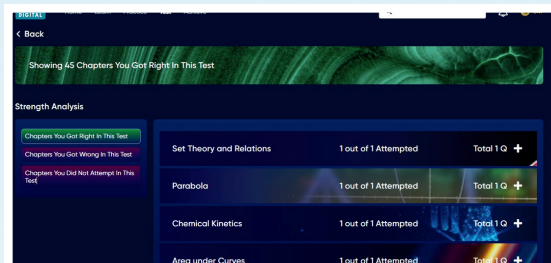

Faculty Quizzes in class in Phase-2,3 of GM-2027 program

Previous Years Tests for practice on LMS

10000+ customisable Practice Tests with deep analytics on LMS

On-demand mock Tests for **CET, BITSAT, VITEEE, MANIPAL, SRM, IISER-AT**

NB: IITPK provides guidance on specific exam strategies to crack different entrance exams.

DOUBTS CLARIFYING FACILITIES

The GRANDMASTERS program offers many opportunities to students to clarify their doubts and difficulties

Lectures are interactive and hence doubts can be asked during lectures

30-min after every lecture is reserved for doubts clarification

Students can post their doubts on 24 X 7 Doubts Forum on LMS

One-to-One doubts clarification in-person & online in dedicated DDS sessions
