

Congratulations

to all successful students !

Yet another year, **IIT-P** continued its glorious tradition of securing the best overall Pune Results in Engineering Entrance Exams in 2018. This is the 17th consecutive year of unmatched results from **IIT-P** !!!

At the end of the day, what matters after a 2-years classroom program are two vital things :

- 1) Knowledge, confidence , problems solving ability gained and,
- 2) Final Placement in a college and branch.

Over (1/3)rd of the entire **GM-2018** batch secured admission in top-notch colleges in India and abroad whose list is displayed below. Almost every student of 2018 batch secured an A-grade college !!!

58% of the 2018 batch cleared **JEE MAINS** | 16% cleared **JEE ADVANCED** | 5% secured **IIT** admission which is the highest success rate in Pune. Kota & AP have 1-2% **IIT** admissions success rate !

Thus, the 2-years **GRANDMASTERS** program of **IIT-P** is the most efficient classroom program for **JEE ADVANCED, JEE MAINS, BITSAT, VITEEE, MAHE** and **MHT-CET** in India.

All the students listed below are students of **IIT-P** for long-term classroom programs (atleast 1 year) in Pune only and all are First Attempters.
