DIRECTOR'S MESSAGE

It is a matter of immense pleasure for us to address you. Pleasure - because we see in you the spark of ambition, the quest for deeper & higher knowledge and the rare gusto to take on the challenging yet highly rewarding path of **JEE** towards pursuing much coveted professional courses like **Engineering, Technology & Pure Sciences** as well as Architecture, Design, Bio-Technology, Economics, Finance, Medicine and para-Medical fields.

Welcome to **IITian's Prashikshan Kendra Pvt. Ltd. (IITPK)**, a Pune-based academy dedicated to engineer enlightening career paths for dynamic young minds via the medium of **JEE studies for the past 24 years!**

IITPK is reputed for its end-to-end systematically designed structured courses, excellent Teaching, Mentoring & Counselling services, well-researched cum updated study material and a rigorous Testing system with deep analytics besides offering a friendly, happy and stress-free atmosphere for students to study, blossom and excel. No wonder that IITPK has produced consistent results in the past 24 years with **1500+ IIT Ranks, 3000+ National colleges selections and almost 100 International Universities selections after XII**. The study cum exams approach taught by IITPK to its students has stood in good stead even in their undergraduate education as **several Toppers in the B.Tech. / M.Tech. streams in the IITs, BITS, NITs, IIITs and University & Department Toppers in Engineering & Pure Sciences colleges across the nation have been IITPK students** in the past two decades! IITPK Alumni have proved their mettle in the professional world too and are the movers & shakers of society in India and abroad - successful entrepreneurs, start-up Founders, Researchers, Professors in reputed Universities, innovators, corporate professionals, Civil servants, Technocrats, Scientists etc. **IITPK has proudly displayed the top-notch and A+ grade college Placements** of the past several years transparently on its website which no other JEE coaching institute in India has done yet!

The common thread amongst all IITPK Super Achievers in the past 24 years is that they had gone through the comprehensive 2-years GRANDMASTERS program which has **evolved tremendously with 50+ innovations** (including differentiated Teaching method) in the past 24 years and in its latest version offers students an AI-powered personalised Inclusive coaching model which is feedback-driven, systematic and multi-track in hybrid mode. **The GRANDMASTERS program provides complete coaching to students for all Engineering & Pure Sciences Entrance exams like JEE ADVANCED, JEE MAIN, MHT-CET, BITSAT, UGEE, VITEEE, MANIPAL, SRM-JEE, IISER-AT etc.**

This document provides the **key information** as regards the GRANDMASTERS program which has benefitted thousands of students since 2002. You are advised to **attend the IITPK Webinar first, then go through this document & our website iitpk.com** and get your queries answered by interacting with our Admissions Counsellor before enrolling for one of the streams of **GRANDMASTERS 2026-28**. We would like to assure you that a student enrolling in the GRANDMASTERS program will benefit tremendously and nurture this unique learning experience for a life-time.

We look forward to serving you in the future.

Sincerely,
Durgesh C. Mangeshkar
(B.Tech., IIT Bombay)

FELICITATION PROGRAM OF IITPK 2025 TOPPERS

GRANDMASTERS 2026-28 PROGRAM

JEE ADVANCED | JEE MAIN | MHT-CET | BITSAT | UGEE | IISER-AT | XI + XII

An Engineering or Pure Sciences aspirant of the 21st century has to crack an entrance exam (like JEE or CET) to gain admission in any prestigious **Engineering or Pure Sciences** college in India. Since 2005 onwards, XII Boards marks have zero weightage for Engineering admissions and serve merely as an eligibility criterion (only 75% marks in PCM & aggregate needed).

The GRANDMASTERS program is designed to crack all 42 Engineering entrance exams, all 8 Pure Sciences Entrance exams in India, Physics & Chemistry Olympiads and also crack any International University's undergraduate Admission Test which is **Math or Science based**. For the past decade or so, the GRANDMASTERS program has recorded one of the excellent success ratios in various entrance exams and student cum faculty retention ratios in India.

A distinguishing feature of the GRANDMASTERS program is its multi-track feature which enables students of diverse academic backgrounds (till Std. X) and different natural grasping speeds to study as per their pace and preferred teaching style. IITPK practices a differentiated 'Teaching and Testing methodology' and offers 4 different coaching streams with personalised learning approach:

MASTERS:

Suited for JEE ADVANCED aspirants who have done IIT Foundation studies in Std.8,9,10 and/or have very high grasping speed.

MSTAR:

Suited for JEE ADVANCED aspirants who are Freshers and have NOT done any IIT Foundation studies in Std.8,9,10 but have high grasping speed.

ACHIEVERS:

Suited for JEE MAIN + CET aspirants who have sound grasping speed and wish to aspire for National as well as Maharashtra Engineering colleges.

CET PLUS:

Suited for MHT-CET aspirants who have sound grasping speed and wish to aspire for Pune/ Mumbai or Maharashtra Engineering colleges only.

Unique salient points of GRANDMASTERS 2026-28 Program:

Inclusive Personalised Coaching

Stress-free Inclusive Coaching:

IITPK has a stress-free, happy and friendly academic culture to promote learning of Math & Sciences which cultivates the right approach and passion for learning the fundamentals rigorously based on which higher education becomes easy & fun to navigate in future. Coaching is inclusive in the sense that students are placed in suitable batches which are homogenised by a tried & tested algorithm coupled with timely & right counselling. Batch shuffling is done on voluntary basis which reduces students stress levels too !

Small Batch Size in Hi-Tech Classrooms:

Since personal attention is important, there are a maximum of 40 students in each batch in IITPK unlike the 60-200 kids stuffed in one classroom in other coaching classes. An interactive feedback-driven teaching style coupled with digital smart boards and the presence of a Batch Co-ordinator during lectures ensures seamless & personalised learning in IITPK classrooms.

AI Personalised Coaching:

IITPK provides access to our AI-driven LMS platform for quick and efficient revision of syllabus with VFX byte-sized video lectures along with customised on-demand testing facility with deep analytics. The LMS platform learns from student participation & identifies areas of improvement & provides relevant curated content.

Individual Recommendation System:

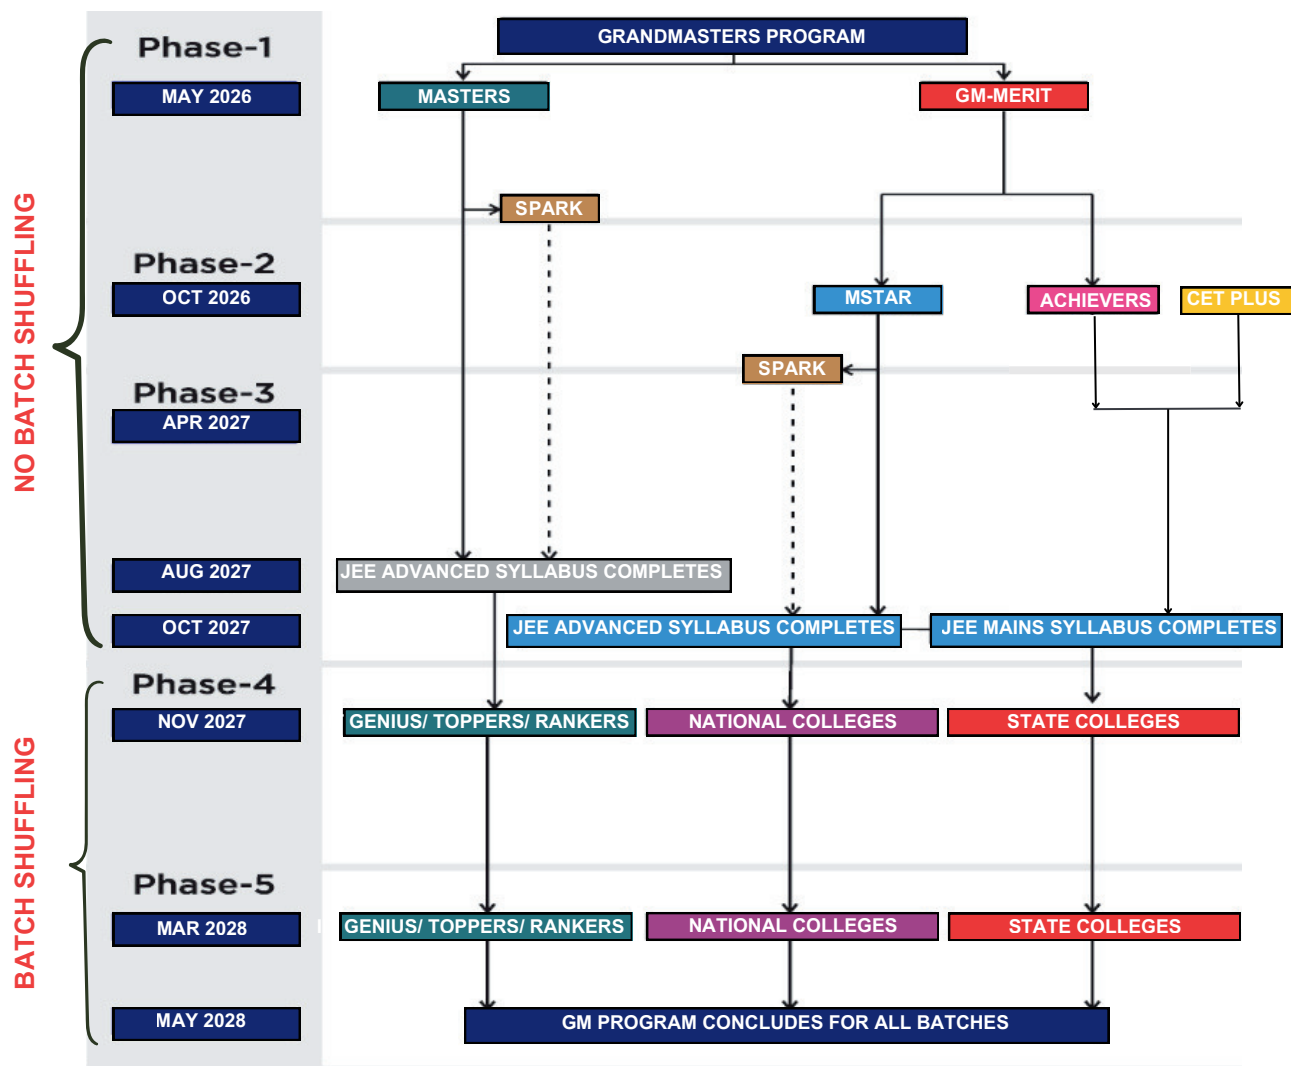

At IITPK after Phase-3 of the GM program, every student is given a realistic achievable exam target based on their performance. Specialised coaching as per Recommendation is provided in Phase-4 & 5.

Differentiated Teaching & Testing Methodology:

One size does not fit all ! IITPK's unique teaching methodology ensures that students are allocated the batch which ensures optimal learning with comfort and eventually high retention ratios and excellent success ratios.

TESTING SYSTEM, DOUBTS CLARIFYING & STUDY ROOM FACILITY

TESTING SYSTEM

The GRANDMASTERS program offers students an excellent testing system which is available in online as well as offline mode on multiple platforms at judicious times during the program.

The Testing System is as under:

Monthly Live Tests in Phase-1,2,3 of GM-2028 program

Fortnightly Assignments on Google Classroom in Phase-1,2,3

Weekly Live Tests in Phase-4,5 of GM-2028 program

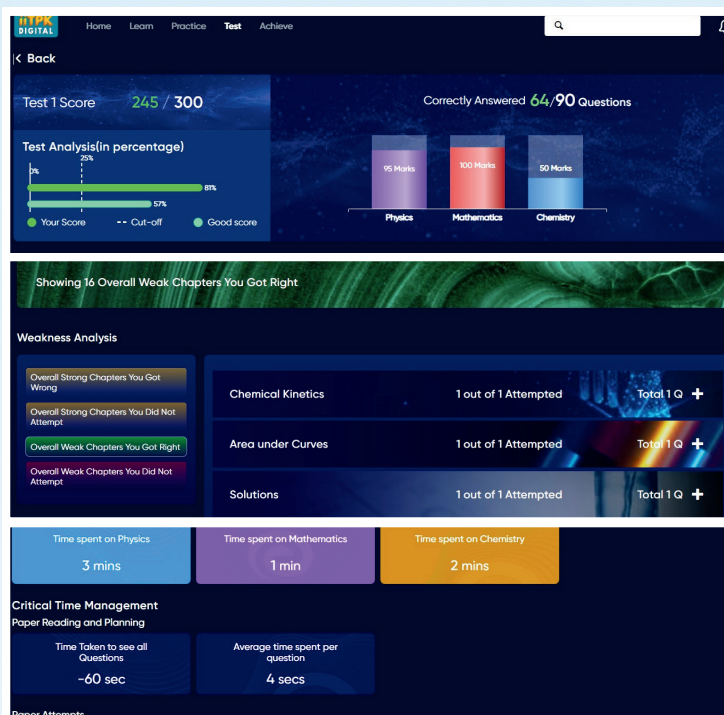

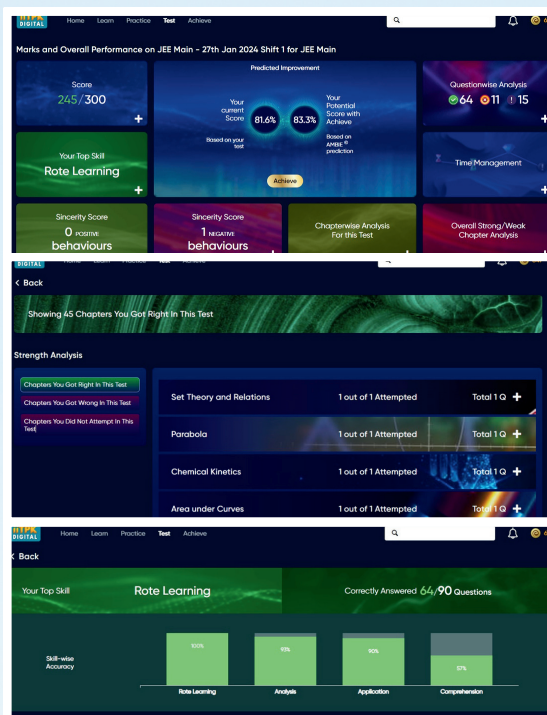

Faculty Quizzes in class in Phase-2,3 of GM-2028 program

Previous Years Tests for practice on LMS

10000+ customisable Practice Tests with deep analytics on LMS

On-demand mock Tests for **CET, BITSAT, UGEE, VITEEE, MANIPAL, SRM, IISER-AT**

NB: IITPK provides guidance on specific exam strategies to crack different entrance exams.

DOUBTS CLARIFYING FACILITIES

GRANDMASTERS program offers many opportunities to students to clarify their doubts & difficulties

Lectures are interactive and hence doubts can be asked during lectures

30-min after every lecture is reserved for doubts clarification

Students can post their doubts on 24 X 7 Doubts Forum on LMS

One-to-One doubts clarification in-person & online in dedicated DDS sessions

FREE STUDY ROOM FACILITY

IITPK offers a designated classroom in each of the 12 commercial centres to study from 11 am to 5 pm from Mon to Sat in the classroom. Students are expected to bring their books to the study room and study in silence. The Study Room is a Silence Zone to encourage self-study if students are unable to study at home.

GRANDMASTERS SUPER-ACHIEVERS TESTIMONIALS

IITPK instils a habit of developing a liking towards the subjects. This helped me to have a better understanding of the subjects and prepare without any stress. Thank you team IITPK!

- AMEY KELKAR

Time to time guidance at IITPK helped me maintain my focus. Testing system at IITPK gave me confidence to tackle different kinds of tests with ease. I would like to thank IITPK & team for the assistance - UTKARSH PATIL

The best part of GM program is that students can voice their opinions and feedback is regularly collected with effective actions taken accordingly. I am very happy with both the teachers and the program. Thank you, IITPK - SAUMITRA JOSHI

I would like to thank all the IITPK teachers who supported me in my endeavours. The live interactive and recorded lectures are just as effective as live teaching. This helped me transform my personality, making me ready to face any challenges. Many thanks to IITPK - RUCHA RANADE

Mangeshkar Sir's seminars and IITPK's teachers made cracking JEE feel achievable and manageable. Their support, guidance and AI-based testing methods were key to my success. Many thanks to everyone at IITPK - DURGA NANIWADEKAR

It has been a wonderful journey with IITPK, where I discovered the joy of learning. The teachers are supportive, caring and always approachable. I owe a great deal to all my teachers at IITPK for helping me excel in JEE - SHREESH KULKARNI

The GM program is highly impressive and I feel well-prepared both in my college studies and my overall understanding of concepts. The teachers are friendly and engaging, and their testing system is excellent - PARTH ZANWAR
